Principals Report: The Premier’s Reading Challenge comes to its conclusion this Friday. There is still time to ensure you have read the required number of books! Well done to all the students who achieved their reading goals. We will be celebrating their achievements in the coming weeks.

AJRL News: No junior football this weekend, although the seniors will be playing in their grand final in Charleville. (Augathella vs Charleville) The juniors next and final game of the year is in Quilpie next weekend (3rd Sept). Many thanks, Kate Swanson

P & C News: We had a general meeting on Monday 22nd. Please find the meeting minutes attached for our P & C members. Thank you to all the people who came. It is important to attend these meetings to keep informed and also to have your say on any matters discussed.

Father’s Day Stall: On Thursday 1st and Friday 2nd Sept, the P & C ladies will be running a Father’s Day stall. It will be run during 2nd break in the Art Room on both days. If you would like your child to purchase something special for their Dad’s, send a few dollars to school with them on those days. The P & C thank you for your support.

School Photos: Not long now!!! Its only just over a week until the photographers arrive to take our school photos! They’ll be here on Friday 2nd September. Envelopes have already gone home a couple of weeks ago. You will need to fill out your orders on the envelopes and return them on or before photo day along with your payment. Sibling photos are also available, by filling out the relevant section on your envelope. Don’t forget that the full correct uniform will need to be worn! Please see the P & C ladies if you need to purchase any new items.

IMPACT—Shaping Up: Our Year 5/6 students began their 10 week IMPACT journey on Tuesday. Students are participating in a Mathematics course titled Shaping Up where they will be developing their problem solving and reasoning. On Tuesday they met their new teacher, Mrs Jan Haseler, other students in their class from Yelarbon, Miallo and Julia Creek, and we’re introduced to the digital classroom environment. We look forward to the journey ahead.

Mathletics Mathletes: Bronze Awards: Max Jukes
Harry Usher
Congratulations

P & C Minutes: Please find the meeting minutes attached for members.

Student Council News: Don’t forget that tomorrow is our “Wear your Team Colours Day”!! Come to school dressed in your favourite team’s fan gear or colours, or even your favourite Olympian!! We are looking forward to seeing everyone dressed up! Don’t forget to bring your gold coin donation.

Father’s Day Challenge: On Friday, 2nd September 2016 at 2:00 pm we are holding a Father’s Day Challenge. Dads, grandads and mums standing in for dads are all welcome to participate. Students will team up with our dads in a challenge that will test their Science and Technology skills. We would ask that students bring in any empty soft drink bottles that can be donated to the cause. We look forward to seeing our dads in action!

THANK YOU Mrs Tanya Jukes for providing the student council with 2 new garden beds for our vegetable patch. They will be put to very good use.

Research Project: Attached to this newsletter is an invitation to parents to participate in a survey for a research project exploring parenting behaviours such as communication, involvement and supervision, and protective behaviours regarding sexual abuse. Please read the poster for further details.

Attachments: P & C minutes for members, Research Project poster.
