**Breakfast is Important!!**

It is important to encourage breakfast. A good night’s sleep followed by food in the morning helps your child to stay active and concentrate at school. It also means that your child is less likely to be hungry during the morning and it will help with performance at school. Be a role model and let your child see you eat breakfast too. A bowl of cereal with a piece of fruit is a great way to start the day for the whole family.

**CONGRATULATIONS!!**
