Funding amount estimated on 2015 data. Actual funding will be determined after 2016 enrolment data are finalised.

Under this agreement for 2016
Morven State School will receive

$11,480*

This funding will be used to

- Ensure that every student will achieve at least a C standard in English and Mathematics in 2016.
- Ensure that 50% of all students will be in the Upper Two Bands (U2B) in NAPLAN in 2016.
- Ensure that 100% of pre-prep children in the community are enrolled at Morven State School for 2017.

Our initiatives include

- Provide professional development and coaching to enhance the teaching of literacy and numeracy.
- Review and improve the quality of curriculum aligned school planning to develop teacher capability.
- Provide focused and intensive teaching targeted at C students in order to increase their achievement.
- Enhance current literacy and numeracy programs with sustainable resources.

Our school will improve student outcomes by

- Accessing professional development in literacy and numeracy for staff that is consistent with school wide practice (e.g. THRASS). [$1000]
- Engaging in partnerships with cluster schools (e.g. Augathella State School) to enhance the quality of classroom practice with a focus on strong pedagogy in English and Mathematics. [$800]
- Employing a Cluster HOC to review and improve the quality of curriculum aligned school plans. [$5000]
- Employing a teacher to provide focused and intensive teaching of problem solving strategies targeted at C students in order to increase their achievement. [$2000]
- Investing in a quality assured technology based Mathematics program (e.g. Mathletics) to support the provision of the Australian Curriculum. [$800]
- Participating in Project 600 to boost the achievement of high achieving students. [$1400]
- Investing in resources targeted at developing the early literacy and numeracy skills of students in junior primary and playgroup. [$480]
